UNLOCK THE SOLUTION

HIPAA Training

Nations Benefit Group provides comprehensive on-site or web-delivered HIPAA Training. HIPAA Training sessions educate employees on HIPAA Privacy and Security laws helping companies safeguard the privacy and security of protected health information. Training sessions may include the development of policies and procedures for implementing a HIPAA-compliant program.

THREE LEVELS OF HIPAA TRAINING

PRIVACY & SECURITY TRAINING

Geared to professionals that access, use, and disclose PHI, this training provides comprehensive HIPAA Privacy training that helps companies understand their HIPAA obligations. Training is provided by HIPAA certified professionals and meets annual training requirements. Training certificates are provided upon completion. HIPAA Privacy & Security training is also suitable for insurance brokers.

HIPAA SECURITY TRAINING FOR IT PERSONNEL

NBG also provides on-site or web-delivered HIPAA Security dedicated to educating IT professionals. The training focuses on the administrative, technical, and physical safeguards and their implementation specifications. Special attention is paid to identifying addressable versus required standards, current security risks, and how to customize security programs that best serve the needs of the clients. Training certificates are provided upon completion.
