## Privacy Checklist

The Privacy Checklist provided by Nations Benefit Group addresses the HIPAA Privacy Rule. The assessment enlightens employer-sponsored health plans and business associates to their current standings as it relates to the regulations specified by the Privacy Rule. Once the checklist is complete, NBG delivers their HIPAA Key Solution!

### THE PRIVACY CHECKLIST IS DESIGNED TO HELP THE FOLLOWING:

- Employers with fully-insured group health plans (medical, dental, or vision) where the plan administrator receives more than summary information
- Employers with a fully-insured group medical plan and a separate self-funded Flexible Spending Account (FSA) or Health Reimbursement Arrangement (HRA)
- Employers with self-funded health plans
- Employers who are considering moving from fully-insured to self-funded
- Insurance brokers
