Privacy Policy Plans

PRIVACY POLICIES & PRIVACY POLICIES+ PACKAGES

Privacy Policies: This is a limited set of Privacy Policies that is recommended for employers with fully-insured group health plans (medical, dental, or vision) where the plan administrator receives **more** than summary information, e.g., enrollment, disenrollment, or aggregate data. In short, they receive PHI.

Privacy Policies +: Provides the necessary HIPAA compliant policies and procedures needed to satisfy the Privacy Rule. The policies are specifically tailored to employer sponsored health plans and insurance brokers.

WHY THE + ???

The package also contains all the necessary forms required under the Privacy Rule for record keeping. It contains various agreements, such as, Business Associate Agreements, Confidentiality Agreements and Non-Disclosure Agreements. A Notice of Privacy Practices is also delivered when needed.

This Privacy Policies + package comes with one free hour of consulting with a HIPAA certified professional.

This privacy package is recommended for the following:

Employers with a fully-Insured group medical plan and a separate self-funded Flexible Spending Account (FSA) or Health Reimbursement Arrangement (HRA).

Employers who are considering moving from fully-insured to self-funded.

Employers with self-funded health plans.

Insurance Brokers.
