Risk Assessment & Management Plan

If you create, receive, transmit, or maintain ePHI and have not completed a risk assessment or developed a risk management program, then this is the tool for your organization. The Security Risk Assessment and Risk Management Plan is divided into two sections and can be delivered in one of two ways:

- Employers complete the questionnaire on their own then receive a report
- NBG will walk you through the questionnaire to ensure accuracy and efficiency

Both options are accompanied by two hours of consulting services from one of our highly trained, HIPAA certified, experts.

RISK ASSESSMENT & MANAGEMENT PLAN SECTIONS

SECTION ONE

Section one benefits is structured for employer-sponsored health plans and benefits from the knowledge of the Plan Sponsor, designated Privacy office, or the organization's Human Resources professional. Knowledge of the company's health plans is a must for section one.

SECTION TWO

Section two focuses on the IT section of an organization. This section can be completed in more than one sitting and requires an individual with technical knowledge regarding the company's processes and procedures.
