

Supporting Your ERISA Compliance Needs

About Medcom

Medcom Benefit Solutions is a leading employee benefit administrator and provider of health and welfare compliance consulting and actuarial services. Compliance with ERISA, ACA, HIPAA, COBRA, and many other health and welfare statutes presents challenges for every employer. Our expert team of compliance analysts, ERISA attorneys, and consultants are ready to assist employers who are eager to advance in today's business environment—employers who are committed to weighing the options, making sound compliance decisions, and understanding the wider implications of those decisions. As regulatory compliance continues to increase in complexity, Medcom Benefit Solutions continually expands its scope of regulatory compliance services.
